## **A new registration packet must be filled out for 2022!**

### **Eligibility**

- Participating adults must be 18 years old and eligible for service from the Portage County Board of Developmental Disabilities.

### **How to participate**

- URR must have the registration form, a signed understanding the rules, ISP release form and emergency medical form before attending events (even if attending with family or staff).
- URR reserves the right to wait up to 2 weeks after receiving this packet to process. After we process your packet, we will call the number listed with the next steps to participate.
- When you are ready to participate, we ask that you call the office 24 hours in advance to sign up for activities. You must sign up in advance for all Zoom and in person activities. Selective activities will have money due before the event.
- Please be mindful with the activities you sign up for. Lots of time, money and effort go into each event. When you don't show, you may have taken the opportunity from a fellow participant.
- Any changes to the forms must be submitted in writing to the Unified Resources Recreation office. This includes changes to address, phone number, medical form, etc.

### **Transportation**

- Unified Resources Recreation cannot transport you if you have 24 hour staff or aid. When we can, we will only provide transportation if you live at home and/or do not have any other funded transportation.

### **Support**

- You must have a parent, personal aid or staff attend the whole event if you need assistance in the restroom or with medication.
- If you have behavior supports in your ISP, you will be required to have a personal aid, family or staff present at the whole event.

These are for the 2022 URR year and are subject to change.
